YOUNG ADULTS GROUP

April 11 - June 13, 2024, 6:00 pm - 9:00 pm, HUB

The Young Adults Group is about cultivating each other towards Christ Likeness through building friendships and community, authentic living, and exploring the depths of what it means to be a follower of Jesus. Journeying through the book of Ephesians, we will be looking at how to live a life set apart from the winds of culture as a people reconciled together through Christ. Specifically, this initial 10-week study will emphasize participating in the practices of the faith including sharing a communion meal, praying for one another, discussing the scriptures as a group, discipling each other, and learning how to share the unique story Christ has written on your life so that you can be a messenger of the Gospel wherever you go. No need to sign up, just show up!
